- During my internship, I created a landing page, portfolio, and calculator, enhancing my web development and design skills.

### Bharat intern — Web developer Intern

(11/2023 - 12/2023)

*Delhi*

- During my internship, I developed a contact page, personal portfolio, and a Netflix homepage replica, improving my web development skills.

### OASIS INFOBYTE — Web developer Intern

(01/2024 - 02/2024)

*Delhi*

- During my internship, I developed replicas of the Flipkart homepage, Amazon homepage, and a personal portfolio, enhancing my web development skills.

## PROJECTS

### E-commerce website | *Html, CSS, Javascript, PHP, My sql*

[link](#)

- This E-commerce website offers a variety of products, including shoes and headsets. It features user login/signup, an "add to cart" option, and order confirmation. The website securely stores user, product, and order data in an SQL database, ensuring efficient data management and a seamless shopping experience.

### Portfolio website | *HTML, CSS, Javascript*

[link](#)

- I created a portfolio website using HTML, CSS, and JavaScript. This project showcases my skills and projects, featuring a responsive design and interactive elements for an enhanced user experience.

## ACHIEVEMENT

### TCS - Certificate of Achievement on Develop Soft Skills that Industry Demands.

- Achieved TCS Certificate of Achievement for developing essential industry-demanded soft skills, enhancing communication, teamwork, and problem-solving abilities.

### 6 Month Internship Experience on Content writer in Adunik Mind Private Limited

- During my 6-month internship as a content writer at Adunik Mind Private Limited, I honed my skills in writing, research, and SEO. I created engaging and well-researched content, collaborated with the marketing team, and contributed to various projects, significantly improving my ability to craft compelling narratives and optimize content for search engines.
